

# Seeing Stars® Intensive Program

*Symbol Imagery for Fluency, Orthography, Sight Words,  
and Spelling*

The **Seeing Stars®** program is an evidence-based, internationally recognised program that uses a *multisensory* approach to teach symbol imagery, while incorporating these techniques into reading and spelling activities. Developing symbol imagery through the **Seeing Stars®** program assists individuals to improve:

- *To hasten word attack skills and the ability to self-correct*
- *The ability to remember sequences of letters and develop sight word recognition*
- *Fluency in contextual reading (through increasing speed of phonetic/sound processing and developing sight words)*
- *The ability to remember words for spelling*

Brain & Language Connections is offering an **intensive Seeing Stars® program** in 2012 for *three hours per day, five days per week*. The intensive program is completed 1:1 for a *minimum of 4 weeks* and is offered either:

~~Monday 6<sup>th</sup> February 2012 – Friday 2<sup>nd</sup> March 2012 (daily 12pm – 3pm) BOOKED~~

**Monday 5<sup>th</sup> March 2012 – Friday 30<sup>th</sup> March 2012 (daily 12pm – 3pm)**

## TERM 1, 2012 SPECIAL

- *Includes:*
  - *60 hours of intensive 'in clinic' treatment (normally \$7200)*
  - *All required workbooks & materials (approx. \$150)*
- **Price: \$5400** (save \$1950)

Call Anna Evans (Speech Pathologist) on 0409 850082 to make a booking.
